GLOBAL Awarded \$6.7M Contract to Provide Security Services for Afghan Clean Energy Project

DUBAI, 9th March, 2010 – [Global Strategies Group](#) (GLOBAL), a leading provider of integrated security and defense technology, was awarded a four-year, \$6.7M, contract to provide [security services](#) in support of the International Relief Group (IRG) Afghan Clean Energy Project (ACEP) in Kabul, Afghanistan.

IRG is an international professional services firm, specialising in implementing development programmes, managing critical resources and assisting institution building. The ACEP Project is tasked with installing and overseeing clean energy and energy efficiency projects in over 335 villages across Afghanistan.

Under the contract GLOBAL will provide dedicated security management, static guarding, mobile security services as well as full life support and facilities management for the ACEP operation in Kabul. The security services provided by GLOBAL will enable ACEP to achieve its critical relief objectives within Afghanistan.
